## LEISURE VILLAGE ASSOCIATION, INC.

Notice Of New Spectrum Features  
Effective February 21, 2025

XUMO BOX

CABLE BOX (STB)

Dear Residents,

We want to inform you that Leisure Village has signed a new bulk contract with Spectrum, which includes some new features. Spectrum will increase internet speeds up to 600 mbps. Also, Spectrum will include a choice of 2 free Spectrum devices. You may choose a DVR or a Xumo Stream Box. Please be advised if you select a Xumo Stream Box, you will NOT have access to LVTv, Channel 1390. If you wish to have a Xumo Stream Box and still access Channel 1390, you will need a traditional cable box (either standard or DVR), which must be connected to the wall with a coaxial cable in another location.

If you are being charged for faster internet speeds up to 600 mbps, your next billing cycle will reflect a savings.

If you have any questions regarding the set up, please contact Spectrum at 1-855-326-5115.

Thank you for your patience as we work to enhance your viewing options.

Sincerely,  
Leisure Village Association
